

Premier's Message

On behalf of the Province of Nova Scotia, welcome to Halifax.

If this is your first visit to our beautiful province, I encourage you to take the opportunity to experience the sights, tastes and sounds Nova Scotia has to offer.

Thank you for your commitment to a career in emergency medicine. I commend your drive for continuous learning, collaboration and excellence through your involvement with the Canadian Association of Emergency Physicians.

I hope this year's conference inspires and encourages you through a wide community of emergency medicine leaders. I wish that you make lasting connections, have insightful conversation, and foster further development for yourself.

Sincerely,
